

Vermont State Craft Centers—Questionnaire

Applicant questionnaire to serve as part of a Jury Pool

We appreciate your interest in helping to create and sustain a network of Vermont State Craft Centers.

Organizations that apply to become either a Vermont State Craft Gallery or Education Center are reviewed by a jury that consists of 3-5 individuals with appropriate areas of expertise and free of active affiliation with the applicant. The jury process is facilitated by two members of the Standards Group and consists of a site visit, application review and evaluation. Specific information about the designation process can be found on our website at:

http://craftcenters.vermont.gov/designation_renewal/designation_process.

Please give us some information so we can learn more about your experience and skills. You can download this PDF by clicking on the 'Save' icon in some browsers or by right-clicking your mouse and selecting 'Save as' to choose a destination on your computer. Be sure to save the questionnaire again once you have completed all the requested information.

Please email complete questionnaires to vtstatecraftcenters@gmail.com.
